ORACLE

ASK MADAME ORACLE

This mystic lady's second sight
Will dazzle, dumbfound, and delight.
Such wondrous things she will foretell!
And if you're wise, you'll listen well.

For you, dear Seeker, the future is filled
with amorous possibilities. Madame Oracle
has consulted her powers of divination,
and she senses the stars are aligned for
romance, either with a long-time beloved
or an unexpected new flame. Take the
advice of the heavenly realm: Cast off your
apprehensions and seize the moment! It
will not last for long.

PLAY AGAIN!
