SALTEE SOLITAIRE

HOW TO PLAY:

Place pegs in board, leaving one space open.

Jump a peg over another to remove the jumped peg from the board.
The jumped peg must be adjacent to the jumper, and there must be an empty space on the other side of it.

Only one peg can be jumped at a time.

Every peg you jump must be removed from the board.

The goal of the game is to have only one peg left.

HAVE FUN!
