## FAMILY FUN FOR EVERYONE!

Come down to the coast and feel your worries drift away! The colorful shores of Brittany Beach hold much to explore. Situated just off of Whitewater Avenue, Stella Park is home to one of Delaware's most beloved roller coasters, the Hydra, as well as several other unique amusements and concessions! Drop by and test your strength with our very own high striker, Triton's Quest. Afterwards, grab your friends and go sea glass hunting on the beach. Or perhaps you'd rather relax with an ice cold beverage at the Flora A. Leighton Pavilion. No matter what you're looking for, you'll find something to do at Stella Park. So come on down to Brittany Beach, and see what fun we have to offer!
